CASE STUDY

Installation Details

Client: The Arcade Mall
Location: 30 1st Ave, Fish Hoek, Cape Town, 7974
Number of Panels: 1155

About Project

Using a ROOF RENTAL model, this enabled the owner to acquire a fully implemented solar system without any upfront capital and to obtain key benefits of:
- Increased Rental Income From Roof
- No Capital Outlay
- Increased Yield & Property Value

The overall impact of solar energy has provided a unique financial benefit to the owner.

Testimonials

“As a landlord we had no interest in owning and maintaining a solar system however, with a ROOF RENTAL solution, Trust Solar takes care of everything and we obtain an income from our roof without having taken any risk”.

Ricardo
Owner
Fish Hoek Arcade Mall
